

City of Wausau Community & Economic Development

Wausau, Wisconsin

Labor Force

The Wausau-area labor force is a source of pride for the community. There is no doubt about it ... the people of Wausau work. And they'll work for your company.

The area work force is well-educated, capable, and responsible – a shining example of the famed midwestern work ethic.

The labor/management climate is healthy, too. Relationships have been built on trust and co-operation that result in productivity and prosperity for all involved.
